PROFILE

I graduated from S1 Informatics at Yogyakarta University of Technology, Indonesia. I mastered some skills with Javascript programming language as well as React Js and Node Js as Front End and Backend supporters. In addition, I master SQL Database as a management of data to be stored. So this expertise becomes the main foundation in building comprehensive modern web applications.

SKILLS

MongoDB	Expert	MySQL	Beginner
HTML & CSS	Skillful	JavaScript	Experienced
Git	Expert	React Js	Experienced
Java	Expert	Node Js	Experienced

EMPLOYMENT HISTORY

Mar 2020 — Aug 2023	Web Developer, Freelance	Yogyakarta
Sebagai seorang web developer freelance, pengalaman saya dalam mengembangkan website landing page untuk berbagai industri, termasuk rental mobil, properti, dan pariwisata, telah memungkinkan saya untuk menciptakan pengalaman digital yang menarik dan relevan. Dalam proyek-proyek ini, fokus saya tidak hanya pada desain yang menarik secara visual, tetapi juga pada fungsionalitas yang kuat yang menginspirasi interaksi yang bermakna dengan pengguna.		
May 2022 — Oct 2022	Mechanical Electrical, PT Media Prima HR Solution	Yogyakarta
<ul style="list-style-type: none">Identified and reported mechanical and electrical issues with factory equipment, ensuring timely repairs and minimal downtimeDiagnosed and repaired complex mechanical and electrical issues on a variety of vehiclesPerformed mechanical and electrical assembly, including wiring and soldering		

EDUCATION
